

To arrange servicing, repairs or MOT's at the Wheatsheaf Garage call 01900 825946.

Servicing

We specialise in servicing and repairing all makes and models of cars. You will find all our staff helpful, friendly and courteous at all times and you will be happy with our work. We have all the latest software enabling us to service brand new/nearly new vehicle keeping your manufacturers warranty valid.

Diagnostics

We use the very latest Snap-On equipment, staff have been carefully trained in this specialist area. Other services we provide - air con servicing, tow bars and auto electrics.

MOT Testing

Bill has been a tester now for 29 years, we can test all cars and light vans. We also are a recommended tester for vintage cars and are currently on their register as a garage who understand vintage and classic cars.

NEW to the Garage:

Tecalmit Laser 4 wheel alignment system.
